Odell High School
Presents . . .
THE 1965
ODELL
MILESTONES

Our Life
As Seen
Through The Eyes of
Students,
Teachers,
and
Community

... focuses on our past, present, and future. Thus we compiled the 1965 Odell Milestones in order to retain a permanent treasury of your memories of O. H. S., something tangible, preserving forever these busy, glowing, vibrant years.

Mass confusion.

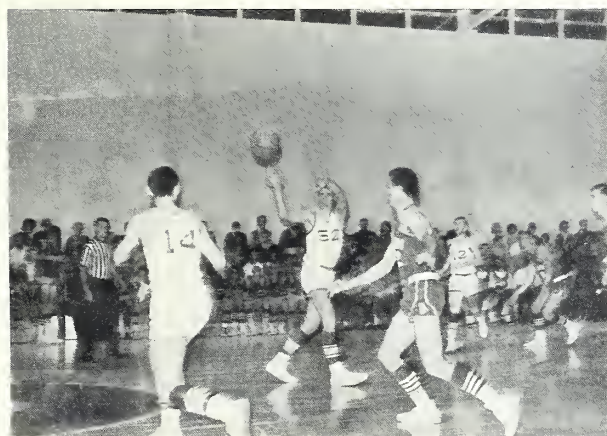

Get ready, get set, go.

Who says the best is last?

Raise that score!

Get that ball!

It's been a hard day's night.

Dedication

To a man whose successful understanding of student problems, strength, purity of words and deeds, humility and intense love of life and the merits that have won our hearts and led us to dedicate this edition of the Odell Milestones to Mr. Max Huntly Lippard.

"Dedicated to Community"

Odell Gymnasium

Odell Volunteer Fire Department

From the eyes of students come appreciative glances for the new and vast improvements made in our school and community this year.

As we sit quietly in our classrooms each day, we are awakened into reality by the sound of fear as we hear the shrieking siren. But, our fears subside as we remember the volunteers of the Odell Fire Department, who are always alert and ready to lend a helping hand.

As we are playing in our gym, we think of all those who helped to make it possible.

This season was a vast improvement over last year's, both in ability and in team spirit. But probably the most important progress was made inside each member of the team.

Most went in boys and girls, and completed the season as men and women. Success is not measured by glaring lights on a scoreboard, because these lights fade and the cheering subsides. But it is measured by the combined efforts, the cooperation, and the sacrifice of team and coach to do their best and try their hardest. This is what made the 1964-1965 basketball season a genuine success.

F.T.A. was not only the fun and excitement of fund raisings, conventions, and showing our appreciation to our teachers; but it sought to create in each member an understanding and an interest in a teaching profession for the future.

F.H.A.

What does being an F.H.A.'er mean? It means a Mother-Daughter Banquet, initiation of new members, and a Valentine Dance with F.H.A. But, most important, is the experience it gives a girl toward becoming a better homemaker of tomorrow.

LEFT TO RIGHT: Kay Kee, Treasurer; Bessie Stowe, Parliamentarian; Linda Mowrer, Song Leader; Janice Morrison, Historian; Sandra Christenbury, Secretary; Mary Ann Bradford, Reporter; Cynthia Overcash, Vice President; Judy Benson, President.

What does being a F.F.A.'er mean? It means the fun of initiation, going on field trips, and entering farming contest. But, most important, it means the growth of boys to better men of tomorrow.

CLASS POEM

We've just been here long enough
To be shown the way.
We are ready the future to face, smooth or rough.
We're leaving today!
We're leaving today!
We've been led at home and school
By the bright shining rays
Of the ever taught Golden Rule.
We're leaving today!
All the trials and troubles of grammar grades
Have already passed away,
But the memories of those years will never fade.
We're leaving today!
The high school proms, plays and sweet dates.
But from this very day
We leave these things behind, and move forward to our eternal
fate.
We are proud to hold our heads up high
And with pride to say
As a single tear or two touches the eye
"We've worked, wished and waited for this day,
And now we're leaving today!"

Class History

August, 1961. We were finally freshmen in high school and felt a little shaky and uncertain about the upcoming year. Our class consisted of 68 students and was under the guidance of Miss Mary Niblock and Mr. Max Lippard. Through their leadership we elected class officers. They were Angie Price, President; Jimmy Griffin, Vice-President; Kay Kee, Secretary-Treasurer; and Mary Bradford, Reporter. After much thought we elected Kay Kee as Miss Freshman and Johnny Aldridge as Mr. Freshman. Two of our girls were chosen varsity cheerleaders. They were Trena Crowe and Kay Kee. A few of our students participated in varsity basketball and baseball this year, also. Those lettering and inducted into the Monogram Club at the end of the year were Jimmy Griffin, Harvey Morris, Tim Edwards, Beverly Benson, Bessie Stowe, Bonnie Caudill, Kay Kee and Trena Crowe. We were very proud of them all.

August, 1962. We were sophomores and had grown in size, maturity, wisdom, and number. With a class of 73 members, we elected officers at our first meeting. They were Eddie Taylor, President; Ann Oehler, Vice-President; Kay Kee, Secretary-Treasurer; and Mary Bradford, Reporter. Tim Edwards and Angie Price were chosen Mr. and Miss Sophomore. This year we were guided by Mrs. Augusta Stough and Mr. E. R. Jarvis. 35 members of our class were accepted into the Future Teachers of America Club. 18 members of our class also received the honor of being selected waitresses and waiters for the Jr.-Sr. banquet. Those selected were Mary Bradford, Regina Price, Bessie Stowe, Angie Price, Trena Crowe, Ann Oehler, Kay Kee, Judy Benson, Tarealia Jones, Steve Kiser, Johnny Aldridge, Johnny Scott, Steve Myers, Tim Edwards, Eddie Taylor, Jimmy Griffin, Terry Suther, and Joe Plott. Also, 6 more members of our class were inducted into the Monogram Club. They were Terry Suther, Richard Ramsey, Ann Oehler, Dianne Doster, Joyce Hill, and Mary Bradford.

At the close of our sophomore year, we had a wonderful feeling of accomplishment. Half of our high school days were completed and we faced the future with mixed emotions.

August, 1963. 62 Juniors arrived at school after a happy three months vacation. Under the profound guidance of Mrs. Lucille Daniel and Mr. Max Lippard, we installed Tim Edwards as President, Steve Myers as Vice-President, Bessie Stowe as Secretary, and Angie Price as reporter. We were very proud that one of our classmates, Johnny Aldridge, was elected State F.T.A. President. In November, 18 members of our class were tapped into the Beta Club. Those tapped were Gloria Ball, Linda Hartsell, Jimmy Griffin, Harvey Morris, Trena Crowe, Mary Bradford, Judy Benson, Eddie Taylor, Jean Brown, Bessie Stowe, Kay Kee, Regina Price, Angie Yow, Lana Dalton, Dianne Doster, Steve Myers, Ann Oehler and Trena Frye.

We selected a three act comedy, "For the Love of Pete", as our Junior Play. With much patience and care, our class sponsors molded our play into precision. Our cast of 13 consisted of Jimmy Griffin, Kay Kee, Ann Oehler, Johnny Aldridge, Regina Price, Steve Myers, Trena Crowe, Eddie Taylor, Mary Bradford, Terry Suther, Judy Benson, and Angie Price. We chose Trena Crowe as Miss Junior and after our nominations, the faculty chose Ann Oehler as Miss Hi Miss.

We entertained the Senior class with a formal banquet entitled "Singin' in the Rain". It was an enjoyable and memorable experience for everyone.

Those entering the Monogram Club this year were Johnny Aldridge, Eddie Taylor, Robert Howell, Steve Myers, Steve Beaver, Trena Frye, Johnny Scott, and Paul Yow.

For our yearbook staff, we chose as our editor Ann Oehler, and Joyce Hughes as co-editor. Trena Frye and Trena Crowe were elected business managers.

At the Senior' Class Day exercises, we were capped in a very impressive ceremony. We then received the long-awaited title of "Seniors".

August, 1964. We, as Seniors, returned to Odell for our final year. Our three previous years had flickered by fast and we were then on the threshold of deciding our future. Mrs. Mary Cooke and Mr. E. R. Jarvis led us into selecting our class officers. Those selected were Johnny Aldridge, President; Harvey Morris, Vice-President; Regina Price, Secretary; Eddie Taylor, Treasurer; and Mary Bradford, Reporter.

Kay Kee was elected Miss Odell in a pageant with the entire student body as the judges.

We decided on the title of "Dragons Press" for our school paper and chose Angie Yow as the editor. The following members made up the remainder of the staff; Angie Price, Co-Editor; Linda Hartsell, Feature Editor; Ann Oehler and Jimmy Griffin, Sports' Editors; Paul Yow, Artist; and Mr. Max Lippard as our sponsor.

At this time, our preparation for the Odell Milestones ended. Bessie Stowe and Tim Edwards were selected circulation managers, Joyce Hughes as poet, Trena Crowe and Jimmy Griffin as prophets, Kay Kee and Tim Edwards as historians, Mary Bradford and Eddie Taylor as lawyers, Trena Frye and Paul Yow as giftorians, Regina Price and Joe Plott for the class directory, and Linda Hartsell and Steve Kiser for the special Page.

As the year passed and our knowledge widened, we chose green and white for the class colors and the white chrysanthemum for the flower. Our selected mascots were Yvonne Irvin and Alan Stowe.

We had two more members of our class tapped into the Beta Club. They were Joyce Hughes and Tim Edwards. Angie Price and Johnny Aldridge were Mr. and Miss Senior for the year. Ann Oehler was awarded the D.A.R. "Good Citizenship Award".

Elected by the teams, Tim Edwards and Johnny Aldridge were co-captains of the boy's varsity basketball team and Bonnie Caudill and Beverly Benson co-captains of the girl's team. Kay Kee and Trena Crowe were co-captains of the Dragon's Cheer-leading squad.

Though our days at dear 'ole O.H.S. are coming to an end, we will never forget them and the wonderful times we have had together. We thank our teachers, our parents and our principal for their never-ending patience and guidance they have given us during this most important time in our lives. We now will know that the old wise saying is true, "Success awaits at Labor's gate".

Tim Edwards,

Prophecy

It was a rough trip way up here to the moon, but with the help of TRENA CROWE, my worthy technologist and navigator, the trip was made somewhat enjoyable. As we begin setting up a space station, Trena and I are looking down on the good ole world to see how everything is coming along. The race for space is indeed a simple one for this year of 1980. STEVE MYERS, one of the world's most renown scientist, is working on a new type of rocket fuel. Space is indeed in the minds of everyone. HARVEY MORRIS, once a big time athlete himself, is now touring the world with his team, "The Moonmen," of which JOHN ALDRIDGE is one of his star players.

JAY BLACKWELDER and EDDIE TAYLOR now own the nation's largest string of restaurants and night clubs called "The Stardust." GOODMAN and GOODMAN Motors, owned by the two brothers EDDIE and WAYNE has lately turned from automotive competition to the race for space. Their design of the "hemi" head rocket engine is turning out to be really successful. RICHARD RAMSEY is their head engineer.

Meanwhile, the women, a forgotten picture in the world of space, have suddenly taken over. KAY KEE was assigned special duty to help train potential lady astronauts. Her latest trainees are LINDA HARTSELL, ONE of the nation's most prominent nuclear physicists and GLORIA BALL, consultant about the works of Albert Einstein.

Many of Odell's former students have become interested in the race for space. TOMMY NASH and GARY TORRENCE are preparing themselves for space trips.

Oh! Here comes TERRY SUTHER, the first pioneer into space. It seems as if we've landed right in his front yard. Well, it matters not, because PAT BLACKWELDER, a famous scientific farmer on earth, will surely be able to grow some grass in the skinned places.

Terry I see is still nice and healthy. I think it is mainly because of STEVE BEAVER, the nation's finest meat specialist, has been instructing his cooks, HARLEY RHINEHARDT and JOHNNY SCOTT very well. Mr. Beaver received his great fame as a meat packer back at Colonial Frozen Foods.

ANGELLE YOW is starting the moon's first newspaper "Moon Gazette" sometime this week with the help of her brother PAUL, second only in talent to Da Vinci.

But there are always those people who just aren't interested in the space age. ANN OEHLER is traveling with LINDA FOUST, sometimes referred as the second Billy Graham. Ann has a beautiful voice and she directs singing all over the world.

BESSIE STOWE is happily married and is still trying to get Jim to work on time. It looks like TRENA FRYE is going to spend a lot of time in Raleigh trying to get her hubby out of State College.

ANGIE PRICE is all tied up in her business of directing beauty pageants since she was such a famous winner herself. But she says she couldn't have done it if it hadn't been for TERRY and LINDA SMITH, two beauty specialist from Paris.

GARY RODGERS and GARY GENTLE are very happy as mechanics consultants to the great Holman-Moody Corporation. Under their direction SAUNDRA TURNER won fame as the first woman ever to win the "World 600."

Meanwhile overseas TARELIA JONES and SHARON LINKER are raising a houseful of orphans while waiting for their boy friends who are in service.

JOYCE HUGHES remains in Moscow as a special consultant from the President of the United States TIM EDWARDS. JOYCE HILL and PRISCILLA HEGLAR are touring Africa under the guidance of IMOGENE COLLINS, one of our greatest Baptist Missionaries. They also hope to be servants of the church.

SHELBY FINK and DIANNE COLLINS and DIANE TUCKER run the world's largest reducing salon and beauty palace located on the French Riviera where STEVE KISER is making history as the world's smoothest talking Casanova.

BONNIE CAUDILL and ERNESTINE CROMER are stern competition for the world's largest string of drive-in movies. DIANNE DOSTER is head nurse at Charlotte Memorial Hospital. Once a week JOHNNY JOHNSON drops by to give art lessons to some of the patients.

ROBERT HOWELL now at Patrick Air Force Base has been promoted to second-in-command. BEVERLY BENSON now has her own Y.W.C.A. where she teaches gym classes. In her employment are TREVA COLLINS and NANCY ALLEN, two experts on physical fitness.

Just a few of our former classmates stayed in the teaching profession. JEAN BROWN, with her Masters in both French and English, is teaching at the University of North Carolina at Greensboro. MARY ANN BRADFORD and JUDY BENSON, two of the nation's best vocalists, after quitting "show biz" are teaching music. REGINA PRICE is administrator of the Home Economics Department.

On the local scene Dover's chain stores, run by DARRELL ALLMAN, are beginning to compete with BOBBY ALLMAN'S A & P food stores.

Well, I can say these have been very interesting observations, but we must get back to bring up another load of moon seekers. When we left, JOE PLOTT and DON CROWE were heading the waiting line for the trip to the moon, after giving up their life of fun, frolic and travel for a look at another world.

Jimmy Griffin,
